## Chapter Reminder: Forward All New Members and Chapter Reports Due

Chapters are reminded to **forward all new members' information and fees from the 2005-06 academic year** to the National Office. Individuals become Psi Chi members only when their registration information and fees are entered at the National Office. Too often, chapters neglect to forward new chapter inductees' information, and thus those persons are never officially recognized as members. Chapters are also reminded to file the **Annual & Financial Reports by June 30, 2006**, and any **Chapter Officer or Activity Reports by July 1, 2006**.
