2007 National Leadership Conference

Psi Chi is hosting its first-ever National Leadership Conference (NLC) on **January 5-7, 2007, in Atlanta, GA**. The goal of the NLC is to develop and enhance participants' leadership skills and their impact on the field of psychology. **The registration deadline is October 1, 2006.** Learn more about the conference, keynote speakers Alan Kraut and Diane Halpern, the registration form, and more here:

Psychology Synergy Conference

On October 6-7, 2006, Collin County Community College (Plano, TX) will host a **national Psychology Synergy Conference for students and faculty members** at 2-year and 4-year institutions. The conference will feature prominent speakers, research presentations by students and faculty members, symposia dealing with issues of interest to students and instructors, and a workshop on making the transition from Psi Beta to Psi Chi.
