Publicizing Your Psi Chi Chapter

Do you want to make your chapter **more visible** in your community? Do you want to **publicize the achievements** of your Psi Chi members? Do you want to get other students **interested in joining** your active, exciting Psi Chi chapter? One way to achieve these goals is to publicize your chapter's activities and achievements in local papers and media. Psi Chi has created an online guide to help prepare press releases and increase your chapter's exposure:

Connect With Other Chapters

We encourage your chapter of Psi Chi to **connect with other Psi Chi chapters in your area**. Networking with another local chapter can enable your chapter to expand its activities, service projects, speakers, and other chapter events. Locate another chapter here:

Chapter Participation: Regional/National Level

There are many ways to **become involved with Psi Chi** in addition to local activities. For example, your chapter can help host the Psi Chi Hospitality Suite at any regional convention. For more ideas on how your chapter can be involved on a regional/national level, read here:
