Chapter Notebook

One copy of the **2006-07 chapter notebook** (a packet of Psi Chi forms for chapter use) should have arrived at your chapter by now. If not, email psichi@psichi.org to request a copy be mailed to your chapter. The most recent versions of all Psi Chi forms are always available on the Psi Chi website:

Chapter Funding

One of the main concerns of Psi Chi chapters from year to year is chapter funding. Chapters look for **funding assistance** for such things as conference attendance, speaker funding, chapter programming, and scholarships. For information about existing funding sources and some ideas on chapter funding in general, go here:

Get Involved With a Local High School

Many high schools offer psychology courses. Psi Chi encourages your chapter to **contact a local high school** to see if your chapter can provide assistance such as speaking about psychology, presenting activities, or inviting high school classes to research conferences for a campus visit. More resources and information about Teachers of Psychology in Secondary Schools (TOPSS) can be found here:
