2007 APA Summer Science Opportunities

There are two exciting opportunities from APA for undergraduate students and Psi Chi members during the summer of 2007. APA's **Summer Science Institute (SSI)** and the **Advanced Statistical Training in Psychology (ASTP)** program both offer students the opportunity to equip themselves with the skills essential to enter and succeed in graduate school. Application deadlines are upcoming soon, so please read more about these programs at:

Update Chapter Websites

When was the last time you updated your chapter website? Chapters should appoint an officer or member to **ensure your website is updated regularly**. If your chapter does not have a website, Psi Chi encourages you to appoint a member or committee to create such a site (be sure to browse current Psi Chi websites and past website award winners for ideas). View chapters with websites here:
