## Psi Chi Orders: Delivery Time

Please allow **10 business days** from the time you mail your order for new members' certificates or merchandise until receipt. You can speed up the process by either (or both) mailing your order to our office via an express delivery service (e.g., FedEx, UPS) or having the National Office overnight your order back to you for an additional \$20 (AK/HI: \$30). Chapter administrators can also speed up the delivery time by entering and paying for their orders online.
