Wanted: Your Best Fundraising Events

Psi Chi chapters are always seeking out successful fundraising ideas. In Psi Chi's effort to help chapters increase their fundraising ability, we are planning to add a feature to *Eye on Psi Chi* to provide more detailed information about successful fundraising efforts. Please help us achieve this goal by **submitting the details of your chapter's most successful fundraisers**. Read more about this request and access the submission link here:

2007 APA Convention

Psi Chi's 78th Annual National Convention, held in conjunction with the 2007 APA Convention, is in San Francisco, California, from **August 17-20, 2007**. This year's Distinguished Lecturer is incoming APA President Alan Kazdin. View Psi Chi programs, colisted sessions, and details about the cosponsored 5K Race here:

Chapter Reminders: Remaining New Members, Chapter Reports

Chapters are reminded to **forward all new members' information and fees** from the 2006-07 academic year to the National Office. Individuals become Psi Chi members only when their registration information & fees are entered at the National Office. Chapters sometimes neglect to forward new inductees' information or fees, and thus those persons are never officially registered as members. Chapters are also reminded to **file the Annual & Financial Reports by June 30, 2007**.
